

Barcelona, 24th of May 2024

SUBJECT: Allied Health Professional Validation letter

Dear Sirs,

This is to acknowledge that Mrs. Carmen Blanco has been involved in the donation and transplantation field since 2004, when she started her work career in the training department of Transplant Procurement Management, DTI Foundation.

Concerning her academic background, Mrs. Blanco has a Bachelor's degree of Arts in English studies and Master of Arts in Translation and Localisation.

She is currently the head of educational programs at DTI Foundation and usually attend international congresses in the donation and transplantation field, to be updated on the state-of-the-Art and to keep in touch with the donation and transplantation network of professionals.

I remain at your disposal for further information.

Yours faithfully,

Prof. Martí Manyalich

President of DTI Foundation
