**Re: Kenji Okumura, M.D.**

To whom it may concern:

I am writing to wholeheartedly endorse Dr. Kenji Okumura's application for A Scientific Award in the Transplant Society 2024.

Dr. Okumura is a distinguished surgeon scientist with a profound passion for transplant surgery. Dr. Okumura joined our General Surgery Residency Program at Westchester Medical Center / New York Medical College on July 1, 2019 as a PGY1 surgical resident. He is currently in my program as a PGY5 categorical surgical resident and has performed his duties satisfactory and he is in good standing in our institution.

I wholeheartedly endorse Dr. Okumura's application for the TTS Travel Award. Please do not hesitate to reach out should you require any further information or have additional questions.

Sincerely,

Madalyn Neuwirth, MD FACS  
Assistant Professor of Surgery  
New York Medical College  
Director, General Surgery Residency Program  
Westchester Medical Center
